The races will be run over the Manx Northern course, starting and finishing in Ramsey. The race HQ will be at the Ballacloan Stadium, North Shore Road, Ramsey, where there are changing, toilet and shower facilities.

Please note that no dogs are allowed on the football pitch.

Both races follow the same circuit, which is just under 13.25 miles. Runners in the Marathon will complete slightly less than two circuits (to give the required marathon distance). The first 5 miles of the circuit are undulating, the high point of 259 feet being reached at approx 4 miles (and 17 miles). The remainder of the course is mainly flat. Both races finish inside the Ballacloan Stadium.

Distances are marked at 1 mile intervals. The markers have been measured from the Marathon start line. Therefore, for the Half Marathon these markers will each be 200 yards over-distance. The course has been measured by an England Athletics accredited measurer.

See <http://www.isleofmanmarathon.com/the-course/> for further details.

Parking

Parking is not permitted inside the stadium or alongside the gates on the stadium side of the road outside.

Adequate spaces should be available on the Promenade or in the free car park on the far side of the adjacent Mooragh Park - just 5 minutes' walk from the stadium.

Important Notice: Drinks

DRINKS MAY ONLY BE TAKEN FROM THE DRINK STATIONS PROVIDED BY THE RACE ORGANISER.

This is to ensure that all athletes compete on a fair basis, ie one runner may not have the advantage over another by having family/friends supplying drinks on demand – a facility not available to all competitors .

We provide water at approx 2.2 mile intervals.

You may supply your own drinks (of any kind) and carry them with you; or bring them to HQ registration and place them in the bins provided by 08.00 when they will be sent to the respective drink station(s). For your own benefit, please ensure that these are in readily identifiable bottles, or at least have your race number clearly marked on the bottle. Indelible ink pens will be available at registration for this purpose.

Water will also be handed out in the finish area.

Pacing / Supporters

Any competitor receiving assistance by way of pacing or supply of provisions (eg gels/water etc) by persons not participating in the race or an official marshal (regardless of whether such persons be on foot, cycle or motor vehicle), shall be liable to disqualification.

Supporter vehicles are not permitted as these clog the roads resulting in problems for emergency services.

Please ensure that your supporters read these notes before the start of the race, reminding them that they should not place themselves in positions where they are likely to impede the progress of other runners. Please ask your supporters to park off the course and walk to the course to spectate.

Retirements

Any competitor retiring from the race should remove his/her number and report to the nearest marshal. Please do not drop out of the race without notifying an official.

Showers / Toilets

Changing rooms with showers and toilets are available inside the Clubhouse.

There are also public toilets on North Shore Road (by the boating lake in Mooragh Park) which is on the way to both starting points. There will also be port-a-loos available at Race Headquarters.

Post-Race Reception and Results

After the race, printouts of your race time will be available in the clubhouse. Live timings and race positions are also shown on a TV monitor.

Completion Certificates will be available on the MRR website: www.manxtimingsolutions.com

The post-race reception will be held at Race HQ where a free buffet will be provided for all competitors. Tea & Coffee will be available for purchase. **Please remember that the buffet is for competitors and marshals only.** Once all athletes have finished their race, the buffet will be opened to spectators. The trophy presentation will be made as soon as race results have been compiled. A full set of results will be on our website within 24 hours: www.isleofmanmarathon.com

Safety Advice: The wearing of headphones, or similar devices, is not permitted.

From 1 April 2016 a rule regarding the wearing of head phones in road races was introduced by UKA. The wearing of headphones is not permitted in races on any single carriageway road that is not wholly closed to traffic.

As the Marathon and Half-Marathon are held wholly on open roads, the above rule will be applied and competitors not abiding by this rule will be disqualified and no time will be recorded.

However, the wearing of bone conduction headphones will be permitted in line with UKA rules. It is vital that athletes can hear marshal instructions.
